Comments from the Grand Knight

Installation of new officers was held June 19th at 7:30PM.

Brothers, I as departing Grand Knight, thank you each and every one for your confidence in my leadership of the Council 1750. I will look forward to working with you as your New District Deputy. With the Elections of officers that were held this past month, I see great growth in the coming months. Congratulations to the new Grand Knight Paul Messerly. I look forward to continue our great relationship and work together for better awareness of the Knights of Columbus within the community of the church.

Ed Maher, DD

Hello Brother Knights of Columbus #1750, I was asked to add a small note in this newsletter. May I begin by saying, that I want to thank all of you for your support. I look forward in guiding our energy and efforts to build a better awareness of the Holy Spirit within all of us. As brothers united by greatness of our faith in Jesus and nurtured by Mary's saving grace. We will see great things happening around us. You have selected a great leadership group as new Officer's. I am excited to work with them and hopes their spirit will guide them and others to our organization and our works to help our Church and community. We have great opportunities ahead in the coming months. Let us work side by side to better our goals and ourselves thru good works of charity and fellowship. I intend to get a picture of all the new officers at our next business meeting and will publish it in the next newsletter.

The Chaplain's Corner

Brother Knights,

Back in 1975 Pope Paul VI issued one of the last documents that came out of the Second Vatican Council, *On Evangelization in the Modern World*. That document describes the core identity and purpose of the Church, "to spread the gospel of the Lord", and describes the whole purpose of the church's existence.

The Knights of Columbus didn't start as an arm of the Church so much as it is a fraternal organization for the benefit of its members and families. However, while we still maintain our original aim and purpose, there is no doubt that the Order has responded to the Holy Spirit's prompting of Pope Paul's call to the world as he intended in his document. Pope St. John Paul II reaffirmed that call to begin a "new evangelization", in our time.

Over the years since Vatican II, our Order has move to the national forefront in upholding Right to Life, and giving aid to those around the world where it is needed. I think of the Iraqi Christians who need to be re-established in their land, as well as the work we do locally.

That, my brothers, is spreading the gospel in the modern world. You and I are blessed to take part in this, in God's endeavor. Keep praying the Rosary!
