The Chaplain's Corner

Brother Knights,

So how are we doing in our Lenten retreat? Yes, this really is a 40-day retreat. During this time, we ready and prepare ourselves to recommit to our baptismal promises on Easter. Just like the dark, wet, dismal days of winter with its barren branches begins to transform into Spring with its signs of life, so our hearts and wavering spirits also transform, as we begin to see how much God truly loves us and how much he gave on our behalf. Our hearts flower and open up to receive the light of Christ, who is love itself. The very first words spoken, three times, at the Easter Vigil in church is "The Light of Christ."

Our baptism is a flowering of our longing hearts, and what better way to flower than to serve in Charity, for God himself is Charity. That's why the Knights of Columbus will always succeed and make a mark on the souls of all whom we serve. Let us keep looking to Holy Saturday night and Easter when love, indeed, the Knights of Columbus blooms to its fullness.
